

CHRIST IS THE VICTORY

"Thanks be to God, which giveth us the victory through our Lord Jesus Christ. I Cor. 15:57

We do not have adequate ability or human resources with which to meet life's demands. Our world situation is most disturbing at best. Our one hope is that we shall gain courage enough to face whatever life brings.

Emerson once said that "a hero is no braver than anyone else; he is only brave five minutes longer." Christ was not only the Son of God, but certainly a hero because He shared our bitter lot even to despair, but He was able to carry on, not five minutes longer, but continuously, in His victory on the cross, over death and the grave. We rely on Christ when we give our wills to Him, and we do overcome the elements of the world. This is the victory of Christ in us and through us in The Daily Walk.
