

WHAT IS TRUTH?

"And the brethren immediately sent Paul away and Silas by night unto Bera: who coming thither went into the synagogue of the Jews. These were more noble men than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so". Acts 17:10-11

I heard a message recently by a local pastor concerning the subject of truth and where it was headed. He indicated that in the present path of questioning what truth really is, that there would come a time when no one would really know the definition of truth, of which I agree. On every side we see anemic Christians that have not been exposed to nor willing to accept the spiritual food that God's Word contains as truth. This is one reason our churches are in such turmoil. The Bible is the one and only source of real truth. It contains the truth of salvation, personal holiness, Christian duty, the mission of the church, the Lord's return, and man's relationship to God and other people in our daily walk.
