American Association of Medical Review Officers

Date: March 7, 2001

Verification of Certification for: Frank A. Ruisi, M.D.

Certification Number: 960107217

Recertification Date: February 7, 2001

Expiration Date: 2006

This notice serves a verification that the above referenced physician is a certified Medical Review Officer (MRO) in good standing through the American Association of Medical Review Officers (AAMRO). Recertification is valid for five years.

AAMRO certifies, through examination, licensed physicians who have had appropriate training and experience in performing the essential duties of the MRO. This certification is intended to insure the public of quality services and the maintenance of ethical conduct by qualified professionals involved in drug and alcohol testing.

AAMRO's certification is based upon the federal requirements developed by the Department of Health and Human Services for federal drug testing programs, and fulfills the requirement of those states requiring certification of Medical Review Officers, including the Oklahoma State Department of Health requirements for MRO training and the Florida Drug-Free Workplace Law requirements for MRO certification.

The referenced physician is listed in the AAMRO registry of Certified Medical Review Officers (www.aamro.com).
