

BHS A-Team meet schedule 2009-2010

Everyone who gets his or her forms in and wants to compete at a meet will be played in at least one meet. However, we can only play 10 or so people in each away meet.

Everyone is expected to be at the home meet on October 13 in our library. You should report to the library after school that day to help set up, which involves moving tables and chairs, and you will be expected to help provide refreshments. We will have a sign-up sheet for that before the meet.

All regular meets are on Tuesday afternoons. If you will be playing that day, you must come to Ms. Frisbie's room right after school. We will provide transportation, although students who drive themselves to school may choose to drive themselves (but not other students) to the meet. The meets begin promptly at 3:30 at the host site. Most of them end between 4:30 and 4:45, and then we make our way back to Bartow. The fifth meet takes at least 30 minutes longer.

The county tournament is on the afternoons of Feb. 17 and 18 (a Wednesday and Thursday) at Lake Region High School. Only six students will compete at that time. The names will be announced soon after the January 26 meet.

Date	Location	Opponents
