

# Class Package Renewal Options

for expired 5 / 10 / 15 / 30 class packages

## Extend Your Current Package: \$20

Reactivate your expired class package with a **30-day extension**, starting the date you renew.

## Transfer to a New Package: \$140

Buy a new **Extra Time 10-Class Package**, and the unused classes from your expired package transfer to it FREE. This combined package is valid for one year from the *new* purchase date.

Note: An expired 5-class package can also be *upgraded* to an Extra Time 10-class Package for \$75. This upgraded package is valid for one year from the *original* purchase date.

## The Fine Print:

- Only ONE renewal is allowed per package. When the renewal period ends, any remaining unused classes will be forfeited.
- The following package types CANNOT be renewed:
  - Extra-Time 10-class packages
  - Unlimited packages
  - Discounted and Sale packages
