**NOTE:** Indicates special information to make maintenance easier or instructions clearer.

### ⚠ WARNING

Indicates potential hazard that could result in death or injury.

### ⚠ CAUTION

Indicates potential hazard that could result in vehicle damage.

**GENUINE SUZUKI ACCESSORIES**

## Installation

- 1) Remove the circlip from the rider footpeg mounting pin.
- 2) Take note of how the footpeg return spring is indexed to the footpeg and the frame. Remove the mounting pin, spring and footpeg.
- 3) Feed the mounting pin through the peg mount and the front tab of the rider floorboard. Place the original return spring between the rider floorboard mounting tabs. Push the mounting pin through the return spring and secure using the original circlip.
- 4) Repeat step #1-3 for the opposite side.
- 5) Make sure that both floorboards fold and pivot freely and return to the regular position by spring pressure only after they are lifted.
