Talk About Good Restaurant & Catering

Trent and Karen graciously allows us to have our meetings in their Restaurant. Please support "Talk About Good" by stopping by for lunch and saying hi. You will be impressed by Trent's Southern Louisiana cooking style. If you are planning a dinner event or you need to cater to a larger group at work or home, consider "Talk About Good Restaurant" as your caterer, the best food in Town.

Brew Talk

Not much going on. Hunt Test season is here for me, and I'm busy with the dog. I did not get the Vienna Lager out in time for April. I know Norm got one going, and maybe Darell too.

President's Words

Hi everyone. Getting this out late as usual. I heard the Beach Bash went smoothly, not many people, but everyone had a good time. Congrats to Mike for besting Norm in the Keg Contest. That's a tough one to do. Sorry I missed it, I was out of Town with my dog Tex getting another Ribbon towards her Championship Title. She did great this weekend. That's all I got, see you all tomorrow at "Talk About Good"

If you have a "Show and Tell" object or a new piece of brewing equipment you would like to show off, bring it to the meeting, we would like to see it. See ya all at the meeting at "Talk About Good"

April Style

Monthly Style for April is Vienna Lager, Cat 7A, Norm talked a little about it last month.

April Topic

Oh no! We didn't discuss who or what to talk about. I'll work on that.

Mike won the Beach Bash Trophy

Darrell is our Competition Director

The 24th Annual Lunar Rendezbrew is this upcoming weekend (April 29th 2-8pm). The Lunar Rendezbrew is hosted by another local homebrew club, The Bay Area Mashtronauts. The event includes food, games (including an paper airplane contest), music entertainment, and of course plenty of homebrew and local craft beer. There is also a homebrew competition associated with this event. The deadline for entry for the competition has passed, but the results will be presented as part of the festivities. Tickets for the event can be purchased at <http://mashtronauts.com>

A little further west is another homebrew competition that is currently accepting entries... The Alamo Cerveza Fest. This competition is organized by the Bexar Brewers. Registration for entries will be accepted through May 19th. More details can be found at <http://accf.bexarbrewers.org>

Right across the street from Talk About Good Restaurant, is Coastal Welding Supply. They will refill your CO₂ bottles. So if you keg, you can get your bottles filled in town again. Yea!!

(Of course, they also sell welding supplies, if you use that sort of stuff)
