

# DTV Rev2 ASIC Pad Locations (coords provided by J.E.--DTVprogrammer guide)

Fig 1-- actual size of die: 3.785mm x 3.759mm Pads: 70um

Note: each separate pad is drawn in Fig 1, but not pad centers.  
(I doubt your printer can render the individual pads, tho...)

Fig 2-- die scaled to 40x

Fig 2 includes pads and xhairs on pad centers.
