Re: District Survey

The officers of Lions District 2-T3 will do their best to fulfill our Motto “We Serve” for the district’s clubs and their membership. The following is a survey that we hope will facilitate any club needs and /or their expectations of the district.

It is not necessarily intended that suggestions have a “quick fix” or be of short duration. Remember, by taking a few minutes now, we can improve our clubs’ efforts to enhance the quality of life for those we serve within the community.

Please deliver your club responses to the Governor or Vice Governor by E-Mail, U.S. Mail or in person. Responses will be compiled by June 21, 2008.

There is a PDF fill in form on the district web site.

After accessing the district web site click on forms.
