Wrap-Up
1650-1700: Feedback on the ICCBR-11 DC (for planning in future years) (David W. Aha, NRL)
  • e.g., comments on length of student presentations, open discussion time, other presentations, use of posters

Dinner: Time and location TBD; everyone is invited to attend. We'll pre-reserve a nearby location for all participating students, mentors, and others who wish to join us.

Notes
  • Students: You have at most 15min for your talk; no exceptions (sorry!). Warnings will be given at 10 and 14 minutes.
  • Question/answer sessions for student presentations will start with their mentor, and last up to 10 minutes.
  • The next presenter will be asked to set up their machine/talk during the q/a session of the preceding speaker.
  • We'll attempt to provide a laptop for use by all speakers to (optionally) use for their presentation.
