

Sha-Mel-Lon Swim Team Sponsorship

Sha-Mel-Lon Stingrays

We have a great bunch of kids who love swimming for fun and competition. These kids compete in about 10 swim meets and try to qualify for the year-end exciting City meet. Many of these kids wouldn't get to swim in nearly as many races on other teams as they do here at Sha-Mel-Lon. We pride ourselves on giving every child on the team the opportunity to swim as many races as possible. They receive excellent coaching during practice and at the meets.

We have a small team and therefore the funds we have to operate are not the same as some of the bigger teams.

We are looking to the community to help us provide the same quality and swimming experience as those teams who have larger budgets.

We will be putting the names of all our sponsors on our team shirt worn by all the kids and many of the parents also. We are also going to have a team banner that will be hung at all home swim meets which will list all of our sponsors.

We are looking forward to working with you and seeing you at our home meets.
