Planning a Christmas Party

Every year about this time we have a Christmas party for our Bible study folks and their friends. This year we will combine the Bible study people with the Worship service people. Last year's attendance was 26 which included children. Our house was really too small to accommodate that many people. This year we plan to hold it at our neighborhood community center. We are not sure of the number of people who will attend.

The party will be pot-luck, so there will be a variety of Japanese dishes. Each person is to bring a 500 yen gift also and we will have a drawing to exchange gifts. We will also sing Christmas carols in Japanese and English and play some games. We are looking forward to a great time of food, fellowship, and new friendships.

New Web Page Completed

Our web page has been redesigned and is now up online. It has a new look and plenty of new pictures. Recently we have had some inquiries about our church services from people in the States. These people were coming to Japan on business and were looking for a place to worship while in Kumamoto. They told us that they did a search and found our web page. I realized that the information on the web page was very old and decided to update it.

The web page has links to our current and past prayer letters as far back as 2005. It also has our statement of faith, testimonies, mission work history, and future goals. If you have time, please

visit our new web page at:

<http://home.earthlink.net/~japanmissionaries/index.htm> The address is the same as the old one if you have it bookmarked already, just the content has been changed.

If you are a supporting church and have a webpage showing the missionaries you support,

please include our web address and email address. And thanks so much for your faithful prayers and support to our ministry in Japan.

His servants to Japan,

Rick, Sharlyn, and family
The Geislers
