Trestleboard Delivery Now Available on our Site!

MASTER'S MESSAGE

Brethren,

It makes me very happy to let you know that exciting things are happening at Los Cerritos Lodge! At the time of this writing, we have three applicants to our Lodge! We will be voting on their applications at the April Stated Meeting, so this would be a great meeting for you to attend if you haven't been to Lodge in a while.

If you have a hard time attending Lodge for any of our meetings or events due to having a difficulty driving at night (or for any other reason), please let me know. I'm going to ask some of our brethren to provide lifts to anyone needing a ride to Lodge. We would love to see you at Lodge again!

By the time you read this, Mr. Paul De Young will have become our newest Entered Apprentice, having had his First Degree on April 20, 2006. The next time you see him in Lodge, please help me welcome him to our fraternity.

Our newest Master Mason is Brother Jeff Siegler, who was raised on February 27 and who has just attended his first Stated Meeting. His father is Worshipful Lew Siegler, who was originally made a Mason in New York State, where he was a Master of his Lodge some years ago. Worshipful Lew had the pleasure of being his son's coach and I can vouch for the fine work done by both Jeff and Lew. Welcome, Jeff, to Freemasonry!

Brother Bill Melanson, who received his Entered Apprentice degree on January 23, has been making great progress in Masonry by joining the Officers nearly every week for our ROMEAL dinners. This has been an excellent way for him to learn about Freemasonry and to get to know his Brethren. His recent proficiency was exemplary and I hope to see you at his Second Degree on April 10.

One of the three men who have submitted an application to join our Lodge is Mr. Robert Saslow, the son of Worshipful Norm Saslow. If at the

April Stated Meeting he is elected to receive the degrees of Masonry, we will be holding his Entered Apprentice degree on April 24. Please join us and, especially, Worshipful Norm, that evening when we introduce Robert to our ancient fraternity.

As many of you know, April is Public Schools month. This year we will be displaying Masonry's traditional support for our Public Schools by visiting Burcham Elementary School on Thursday, April 6, the night of their Open House. If you are interested in attending, please contact me.

Lastly, I would like to let you know that starting with this issue, we will be using First Class postage to mail out the Trestleboard. Many of you in Orange County have mentioned that our mailings often take several weeks to arrive; we hope that this will significantly speed up the time it takes for you to receive the Trestleboard.

Fraternally,

Dan Moran
