Thank you for looking into **Gay/BI Harley Bikers-Great Lakes Harley Riders**.

In 1992, when Harley Davidson announced the schedule for Homecoming 90 Milwaukee, a few of us thought it would be good to meet some of our Gay/Bi brothers coming in for the big event. We spread the word and met about 20 Gay Harley riding men from all over the USA.

When the party wound down, the men wanted to keep in touch. Most didn't want a club or group structured and because of the distant, a riding group was out. It was decided to limit the group to Gay/Bi men who could prove they owned a Harley. They would be called Riders instead of members and all would hold the high office of President. There would be no dues, by-laws, patches, meetings or other trappings associated with a club. The Brotherhood of The Machine and the joy of the Ride would be the common b\thread.

Gay Harley Bikers/Great Lakes Harley Riders is only a network. We are **not a HOG chapter nor a riding club**. We are a confidential roster of Gay Harley men with the intent of meeting others sharing our passion of the Ride..

The roster lists only the Rider's first name, city, state, bike, phone #(optional) and E mail address (if applicable). No one can get more information except by contacting the Rider directly. We do ask for a \$10.00 contribution upon joining.

A lot has changed since that date those years ago. We now have close to 200 men on the roster from all over North America, as well as several from Europe and "down under." None of the original Riders anticipated this casual gathering would develop into what it is today.

In the past we shared via a printed newsletter, now that we went electronic, we share directly via the net.

We meet many bikers as we travel, whether it be to Daytona, Sturgis or just running down the road. This limited effort has proven good and serves us well.

If this appeals to you, you are invited to sign on. Just make contact with the addresses listed on the reverse side and we'll take it from there.
