

Mission Statement

The mission of the Southeast Wisconsin Group Headquarters Squadron is to support the missions of Civil Air Patrol.

These missions include:

- Emergency Services – To provide an organization to support Wisconsin Wing in assisting in local and national emergencies with base, field and air components.**

- Aerospace Education - To provide a resource for aviation and aerospace education of our members, fellow units, and the general public through activities and courses of instruction.**

- Cadet Program - To assist the units in our area in accomplishing the Cadet Program mission through activities and support of the group Cadet Advisory Council.**
