

## TRANSPORTATION

### OPERATION AND MAINTENANCE OF CIVIL AIR PATROL VEHICLES

1. Direct and indirect support of programs and missions includes the preparation before an activity and the actions after an activity to return, repair, refit and replenish resources used in mission accomplishment.
2. The unit commander will approve "Privately Owned Vehicles" for use on CAP activities in writing. The certification file will be the data on these vehicles in the WMU.
3. The member will enter vehicle data in the WMU using the POV Maintenance Utility under the Member function. The Unit Commander will "Approve" using the POV Maintenance Utility under the Unit Commander function.

Elizabeth R. Curry, LTC CAP  
Commander
