## **Statistics**

There were 46 different casters who accounted for 280 event entries. 21809 points were scored (not counting cast-offs) for an average score of 89. The best casts of all distance casters added up to 4813 feet for an average distance of 138 feet. There were 12 cast-offs. One of them was a second cast-off. That's just under 1/2 cast-off per event per division. 1/4 oz. was the most popular plug event (30 casters). Trout Fly (39 casters) and Bass Bug (37 casters) were the most popular events.
