One of the teachers I appreciated most in Sunset was Richard Rogers. Years before I sat in his classes he was asked to produce a series of 30 minute TV programs teaching OT and NT Bible lessons. He made 73 such programs. These are now available to watch online at [TV Bible Study](http://www.tvbiblestudy.com/), and are excellent studies. Richard had a remarkable knowledge of the Scriptures. They are available in both video and audio, and also have downloadable outlines. All is completely free. The audio can be downloaded to your iPod or mp3 player, even. Directory Update

Phyllis is updating the directory, and there are still some addresses/info we do not have. If you have not already, please check the info in the attached directory. If you info's accurate, no need to do a thing, if it is inaccurate or incomplete, would you please send the information to troychurchofchrist@earthlink.net & I'll both update my list and forward it on to Phyllis so she can update the directory and we'll get it back out to everyone as soon as it's done. THANKS!
