How incredible!

Clover Master in one turn

Dave you are so fast

Chief Clover Sensei Royce

Three clovers

If roses were stars

A bouquet would be fire, and

light, and ambition

Katiana Luke

Three clovers

Sneaky squeaky shoe

Escaping Esperanto

Please don't kill my soul

Guidance Counselor Spencer

Three clovers

Unanimous clap

Wait, what is that void of sound?

Dave's silence cuts deep

Cleaf Chover Census Emily

Three clovers

Red wine of Satan

The abyss of Clover Master

With no beans in sight

Clover Master Katiana

Three clovers

Smiter of smiting

Grandfather carved me corn husks

Do not smite them please

Guidance Counselor Spencer

Two clovers
