**A Special Message,**

We must not, in trying to think about how we can make a big difference ignore the small daily differences we can make which, over time, add up to big differences that we often cannot foresee. We are all Angeles with only one wing. We can fly while embracing each other.

Thank You, for standing tall with clear eye's in support of Golden Hearts, "Operation Reach for the Stars" and or "Operation Teddy Bear" for children. Do not forget to visit our website...pictures have been down loaded ([www.goldenheartfoundation.com](http://www.goldenheartfoundation.com)).

**Thank You for Your Kindness and Time,**
