

LONG BEACH CONVENTION & ENTERTAINMENT CENTER

Arena Scoreboard

5/6/03

SCOREBOARD

The Arena scoreboard is a four sided scoreboard hung “approximately center” of the Arena.. Each side is 21’-6” wide and 19’ high. The full out trim is 41’ 6” from bottom of the sign to the ice and the trim for games is 36’ from ice. The scoreboard does not hang center of ice. The South goal side hangs 6 1/2 feet off center whereas the North goal side hangs 16 1/2 feet off center. Templates for hockey and basketball scoring are available.

WHITE WAY MEGA COLOR MATRIX BOARD

Any computer AVI file with audio can be displayed on the (4) **WHITE WAY MEGA COLOR MATRIX BOARD** screens while the audio portion feeds the main house sound system. (An additional operator is required.) Each screen is approximately seven by ten (7’ x 10’) feet. Resolution is apporximatly 60 x 80 pixals.
