The 5th Annual SOS Reunion was a success. We had 56 humans and 39 canine kids. We finally had a day that wasn't sweltering, although the rain did come in toward the end of the party. We tried something new and had a fun baggie raffle and door prizes along with a few silent auction items. It would be good to hear from people who've attended a few reunions, what things you'd like us to continue and what things we should discard. The reunion is for all of you, so your input is important.

Thanks to all those who helped make this reunion a success.

DALLY UPDATE

LOOKING FOR A HOME

Patches. He is an 8-year-old boy who was surrendered to a shelter in northern WI. He lost one of his front legs in an accident as a puppy, but can move around great on 3 legs. Although he only has 3 legs, he has a lot of energy, but only requires short walks.

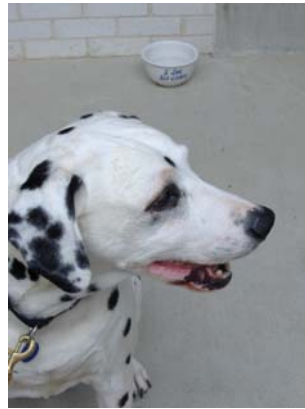

FOUND A HOME

Elly found her new home in Green Bay with Ross and Stephanie. She also has a puppy brother in the home who looks just like her.

“SPOT SOS”

Please join us on September 8 in Greenfield, WI. We have been invited to walk our Dalmatians in the 9am parade during the Midwest Regional Firefighter Combat Challenge. If you can come with your Dalmatian, please call Lori at 414-365-1285.

We are sad to announce that **Lucky** who was adopted in October 2005, died in July 28 2007 due to a tumor on his spine near his bladder. Sandy, Lucky's mom writes:
Here's a picture of Lucky lazing on our front porch in the summertime. He and his buddy, Benji the dog, loved to keep us company and "count the cars" (more like bark at the cars which are few and far between on our road!!). We miss Lucky so much and we will always be so happy that he was here with us for the past 1 ½ years. We had a ball with him and you must know that we loved him very much... it was the mutual admiration society around here. He was funny, kind, affectionate and playful and a great companion. Thank you so much for matching us up with him. He was a treasure in our lives and will always be remembered as such!! We put his collar on his best canine friend Benji, so Lucky will always be "around". I was thinking how wonderful it was that he was on the SOS Christmas Card last year.
Kindest Regards
Sandy
