Members Corner

I would like to thank the Stinkers who called and visited and sent cards while I was in the Beaumont Hospital. I truly appreciated the friendship shared and the prayers said. I am home now, after ten days, and I am so glad to be out of there.
God Bless you as you have blessed me. *Judy*

Hi Everyone: We finally made it to our home park in North Carolina. We feel like we're home! The weather is in the 40's. Some rain is predicted for the next couple of days and then we'll be in the 50's. The sun is shining brightly. It's possible that we'll have freezing rain in some areas tonight, so schools were closed at noon! What a bunch of wusses!

Thank you all for your cards and good wishes. It helped me keep a positive attitude during my illness. I'm feeling pretty good now except for some soreness, but that will go away in a few weeks. We're re-organizing and cleaning the trailer now (and throwing away some stuff), and I'm doing some work on my grandson's quilt. The sooner I can send that off. the better. A twin size quilt takes up a lot of room. Take care everyone. We miss you all.
Love, Sherry and Dave

Al Fitzgerald is doing much better and walking some.

Barb Matthies is doing very well and should be going back to work soon.
