

Dance Alignments

Wayne & Marie Crowder

www.crowderdancesport.com

4 Time US Champions/ World Representatives

Members Imperial Society of Teachers of Dancing

The Line of Dance moves counter clockwise around the room changing from Long Side to Short Side.

Wall, Center, and all the other Diagonal alignments change as the Line of Dance changes as the dancers move around a corner and begins a new side.

LOD - Line of Dance
 DW - Diagonal Wall
 DC - Diagonal Center
