PULSVIDEO@EARTHLINK.NET

Hello, and thank you for your interest in Puls Video Productions. My name is Jeff Puls, and I specialize in the production of Photo Montages and other video editing projects. I use professional video editing equipment and advanced technology to produce the finest in video/audio presentations. I take pride in my work, and I promise to do my BEST to make your project special. Please feel free to call with any questions you have. Thank you!

A **Photo Montage**, or “picture video” is a video production consisting of an organized sequence of photos and video images set to music. When planned and produced well, a Photo Montage can set the “mood” for an important event and allow your audience to experience the images you select in a unique and entertaining way.

A good Photo Montage can make a special occasion even better!

Perfect for:

Wedding Rehearsals	Graduations	Wedding Highlights
Wedding Receptions	Vacations	Sports Highlights
Anniversary Parties	Company Picnics	Family Reunions
Birthdays	Year-In-Review	Holiday Events
Bar-Mitzvahs	Video Yearbooks	Other Special Occasions
