

FRENCH BULLDOG PUPPIES 2005

This project is a fund raiser for the Northern California French Bulldog Club, which hopes to have its first Regional Specialty in connection with the 2005 French Bulldog Club of America National Specialty. NCFBC is the host club coordinating the 2005 FBDCA National Specialty.

This 308 piece, 17 by 11 inch jigsaw puzzle, was designed by Rick Rocheleau & Dale Melsness (Tahoma French Bulldogs - Seattle, Washington) from more than 100 photos submitted from around the country.

Puzzles will be available in early APRIL and will cost \$20 each (\$18 each for 2 additional copies in the same order). Shipping will be \$3.85 USPS Priority for one puzzle, and more for additional puzzles (see below).

NCFBC members can pick up their puzzle orders at club events, including the MATCH in April, but should reserve puzzles through this form, and even possibly send payment.

We are printing an initial run of 200 and can reorder lots of 50. We will have plenty in stock in the Spring, and through the Nationals 2005 in October.
