

A Letter For Liberty

From

Dear Senator / Congressman:

Our Founding Fathers and Framers of the Constitution of the United States painstakingly set up a **“Three Headed Power System”** for a very obvious reason. **For Checks and Balances.** They sought to prevent any single branch of government from becoming all-powerful so they designed a built- in system of **accountability.**

Our Constitution has been trampled upon for several years, but is currently being **decimated.** Congress is by far a Democratic majority and President Obama is the most liberal president in the history of this great nation. The voters have been “Hood Winked”.

- **The US Supreme Court**

Sonia Sotomayor was nominated to sit on the United States Supreme Court. She is clearly liberal and will not publicly provide her beliefs regarding abortion and right-to-life issues. She is clearly anti-gun and does not support the Second Amendment. I don't care about her ethnicity or gender. I care about her beliefs and how those beliefs will be imposed on the people of the United States.

- **Illegal Immigration**

Illegal immigration is financially crippling this nation. There does not appear to be a single elected official willing to address this very serious issue. **Why?**

- **Recent history**

The issues below have resulted in the Federal Government gaining more control over “We The People”.

- The Omnibus Bill, The Stimulus Bill, Fannie Mae and Freddy Mac
- Bail Outs of AIG, General Motors and Chrysler Corporation (etal.)
- The Presidential appointment of numerous Czar's who are not accountable to the taxpayers or Congress.
- TARP funded Banking Institutions and the Wall Street bonus debacles (leading to a “Pay Czar”).

- **Proposed Bills/Legislation**

Cap and Trade, Value Added Tax (VAT - A synergistic crippling tax), and Nationalized Health Care, will break the backs of all Americans and put our country into an uncontrollable economic collapse (if we are not already there).

The three branches of the U.S. Government are rapidly changing to a single power government. **Where are the Checks and Balances?** It is clear that Politicians in the highest places are blatant liars who are more interested in self-indulgence than representing **“We The People”.** The “Socialist” approach to government **Does Not Work.** The history of many nations has clearly demonstrated this fact.

You have shown yourselves incompetent to represent my views and will not receive my vote. It is time to stand up and lead and properly represent the people you serve. I refuse to sit passively by while you and your peers trample on the Constitution of the United States of America.

Respectfully submitted,
A hard working, Tax Paying, Productive Citizen
