COACHES CLINIC

"Giving Group Lessons"

United States Fencing Coaches Association

- Member, Academie d'Armes Internationale (AAI)
- Member, National Collegiate Athletic Association (NCAA)

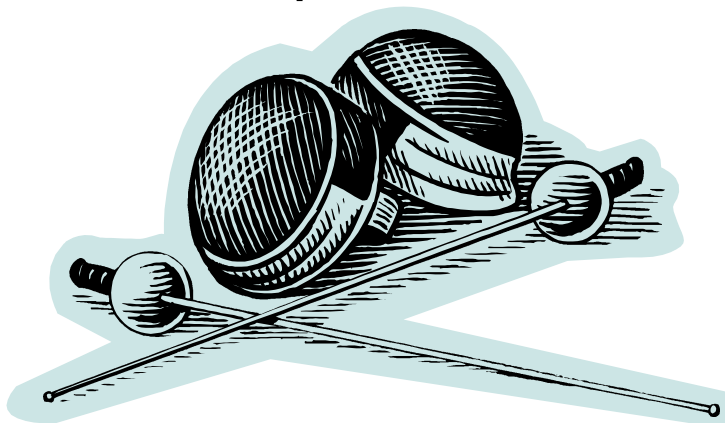

Instructors:

Maestro Leszek Stawicki, Head Coach of LFC

Maestro Jerry Benson, VP of USFCA

Prevost Cash Myers

Group Methodology

Giving group lessons is a whole different animal as compared to the traditional one-on-one lesson. Yet the entry level and intermediate coach, more often than not, finds themselves standing in front of a group of recreational fencers with little or no formal training of this type.

This program will help you develop the skills to master this process as well as prepare you for your next level of USFCA certification. In addition, we will cover the skills necessary to coach wheelchair fencers!

Highlights

- The Basic Lesson Plan
- Developing Class Content
- Practical exercises
- Presentation/Communication Skills
- Group Lesson "Progression" Development
