

# Iris folding

## Demonstrations, Workshops and Private Instruction

**I offer group demonstrations and workshops as well as individual instruction.**

### Group Demonstration

Approximate time: 1 - 1/2 hours

Cost: \$125 + travel expenses outside the West Palm Beach, FL area.

All materials included

Attendance: unlimited

Framed examples of my work are placed on easels around the room for perusal by the audience.

I make one 10" square, four color iris folding using my easy basic technique while maintaining a running dialog with the audience as I am working. I begin with a short history of Iris Folding and as I work, I point out the many do's and don'ts of the process, make suggestions for paper preferences, and offer many other useful suggestions, hints and tips to enhance the finished product. Following completion of the work, there is a question and answer period.

Individuals will come away from this demonstration being able to create their own iris foldings using my easy basic technique.

### Group Workshop

Approximate time: 2 1/2 - 3 hours

Cost: \$250 + travel expenses outside the West Palm Beach, FL area + \$8 per person for materials that I supply. Some materials must be supplied by the individuals in the group. Individually supplied materials may be shared and cost is minimal.

Attendance: up to 20 people

Framed examples of my work are placed on easels around the room for perusal by the audience.

I assist the group, with everyone making one 10" square, four color iris folding using my comprehensive technique. I walk around surveying the group's progress, offering individual attention, suggestions, and encouragement. I maintain a running dialog with the group while I am working with individuals or walking around the room. I begin with a short history of Iris Folding and as we continue, I point out the many do's and don'ts of the process, make suggestions for paper preferences, and offer many other useful hints and tips to enhance their finished products. Following completion of everyone's work, there is a question and answer period.

Students will come away from this workshop having created their own iris folding using my comprehensive technique.
