

## ***ROSK Engineering Vacuum Tube Amplifier Design CDs***

That's right! The Mad Scientist himself PAUL ROSK has released some of his FAMOUS designs (it's about time!)

**These CDs contain all the Drawings, Schematics, Spice Models, Bill Of Materials, Instructions, Vendor Lists, EVERYTHING you need to duplicate ROSK's famous ALL TUBE GUITAR AMPLIFIER CIRCUITS with "off the shelf" components!**

**PLUS a 100% working SPICE / CAD PACKAGE! SCHEMATIC CAPTURE - SPICE MODELING - DRAWING PRINTOUT - BILL OF MATERIALS! Plus the entire USER MANUAL FREE! Watch the design "WORK" on the screen BEFORE YOU BUILD IT!**

Check The Web-Site Here: <http://home.earthlink.net/~roskeng>

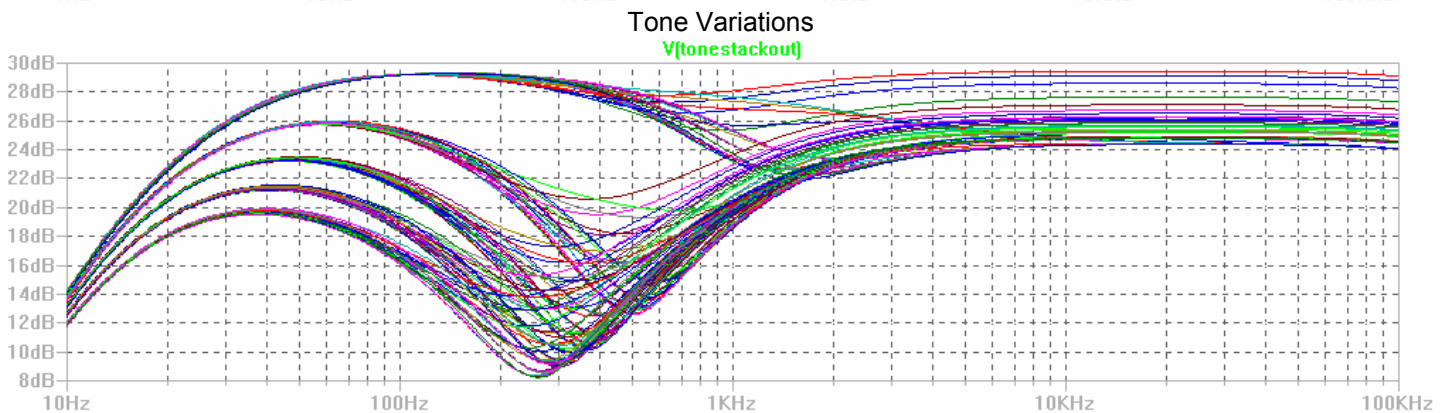

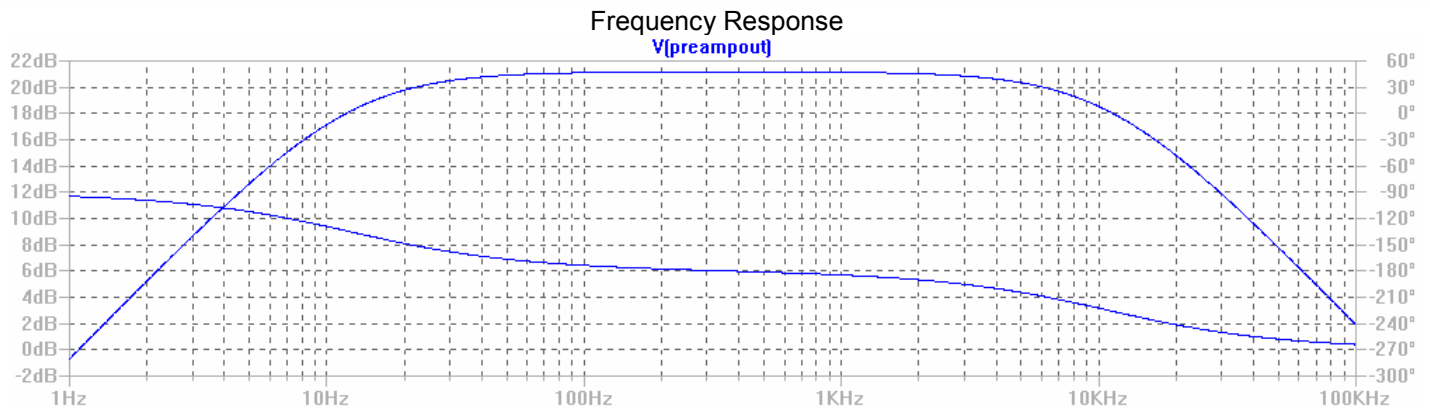

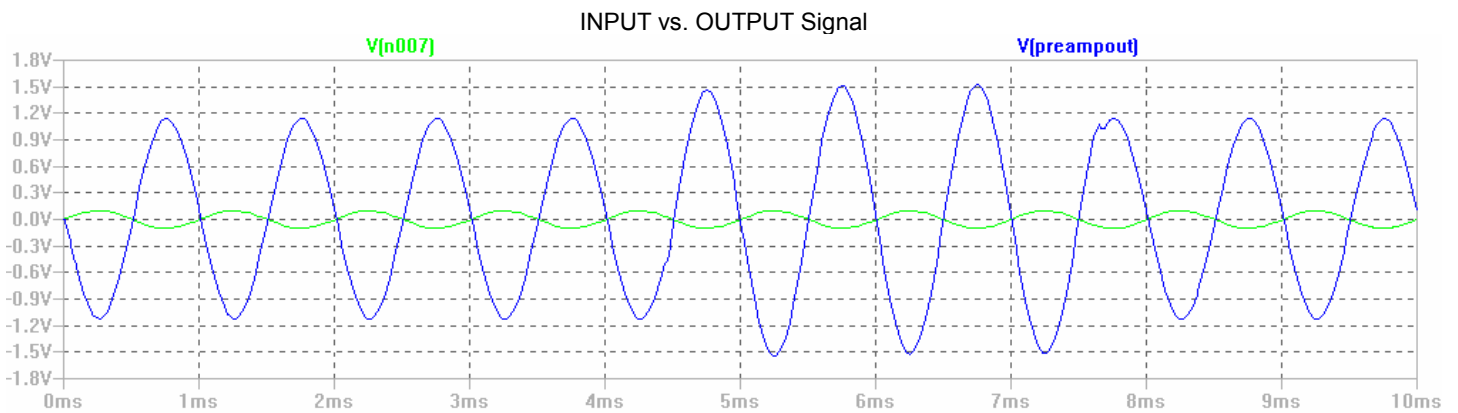

## Design CDs Currently Available:

### Guitar/Bass Pre Amp - \$39.99 + S&H

Order Number: RGBP-01

Use it for Guitar, Bass, 6-String, 7-String, you name it! Ever “HAMMER ON” a 3<sup>rd</sup> Fret Harmonic, now you can! Run this PreAmp into ANY power amp and you’ll knock the 1<sup>st</sup> 6 rows of the audience into the BACK WALL! Sustain, how about .. “The Note Doesn’t End Until YOU Mute The String!”. An endless well of classic and modern guitar/bass tones. From the classic 50’s and 60’s “Fender Era” to Over Driven Marshalls, Riveras, Soldanos, any tone you can imagine, just “Dial-It-Up” and you’re ready to ROCK!

The ULTIMATE Tube PreAmp! More Tones Than A Room Full Of Vintage Amplifiers! 100 Times More Gain Than Any Marshall “High Gain” Chunk Of Junk! Here Are The PreAmp Response Waveforms, Top This!

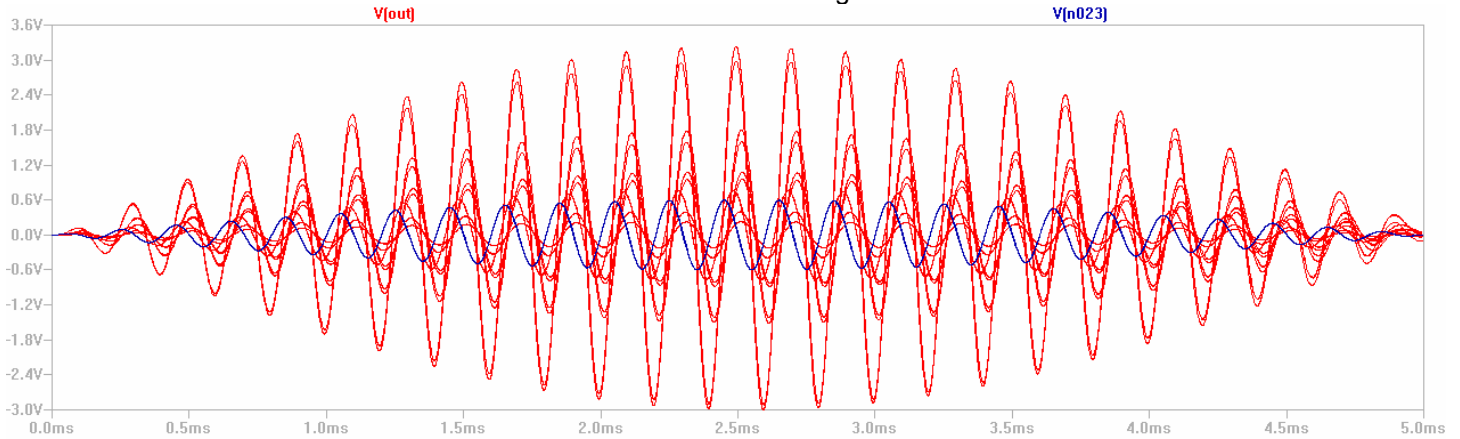

# All Tube Compressor - \$39.99 + S&H

Order Number: RATC-01

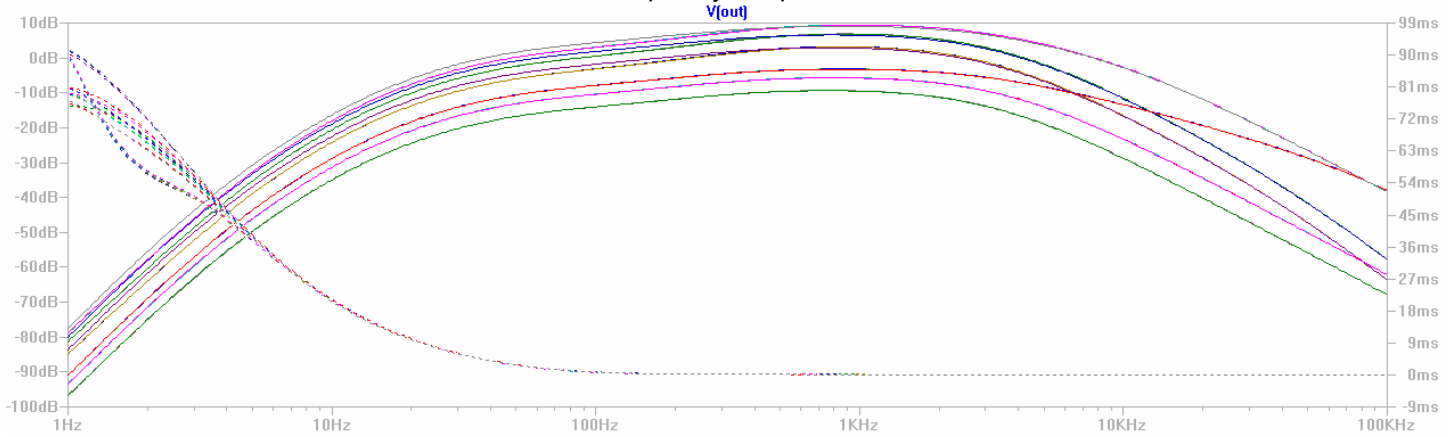

**No Solid State "FAKE" Compression Here! This Is ALL TUBE From Input To Output! Based On A Classic Compressor Design With ROSK's New "Attack-Decay" System, This Is THE ULTIMATE Compressor for Guitar, Bass, Vocals, ANYTHING! With It's "VARIABLE" Response Section, This Compressor Can DO IT ALL!**

## Just Take A Look At These Waveforms!

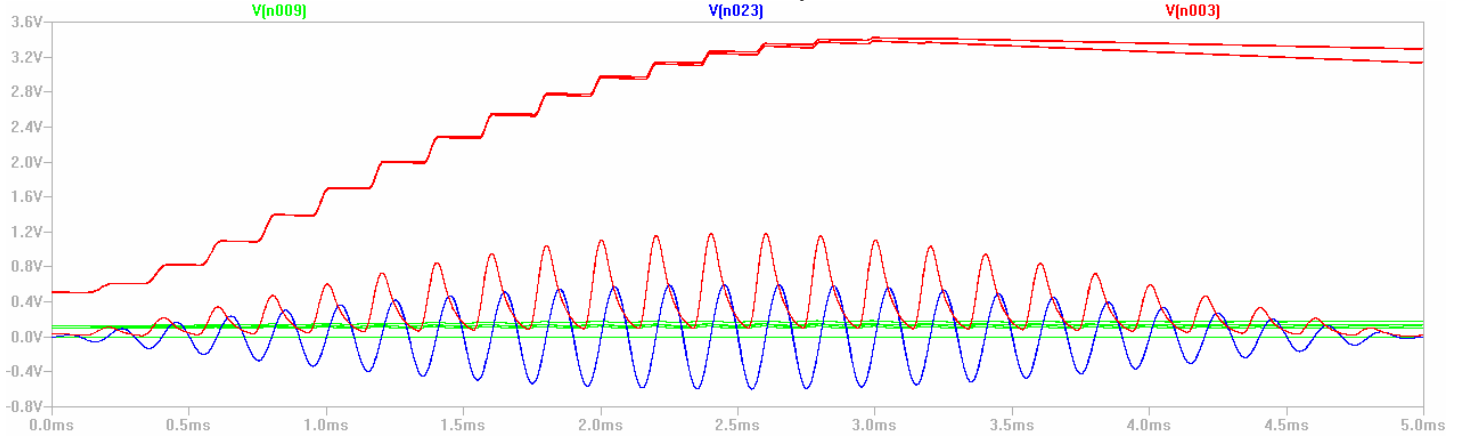

INPUT vs. OUTPUT Signal

Frequency Response

Attack / Decay

## **Power Tube Gain Driver - \$39.99 + S&H**

Order Number: RPTGD-01

The “SECRET” To Great Tone And Sustain! How To OverDrive The Power Tubes To Obtain That True “VACUUM TUBE TONE” Without All The “NOISE” From An OverDriven PreAmp!  
And Here’s The “TONE NIRVANA” You Can SWITCH IT IN AND OUT! No More “CHEAP” Sounding Distortion, Only REAL TONE-TO-THE-BONE Crunch And Scream!

Note: This Design CD Requires A Signed Non-Disclosure Agreement

## **Guitar Amplifier Circuits - \$39.99 + S&H**

Order Number: RGAC-01

A Collection Of Various PreAmps, Tone Stacks, Tremolo Circuits, And Switching Circuits.  
A Real “TOOLBOX” Of Vacuum Tube HEAVEN!

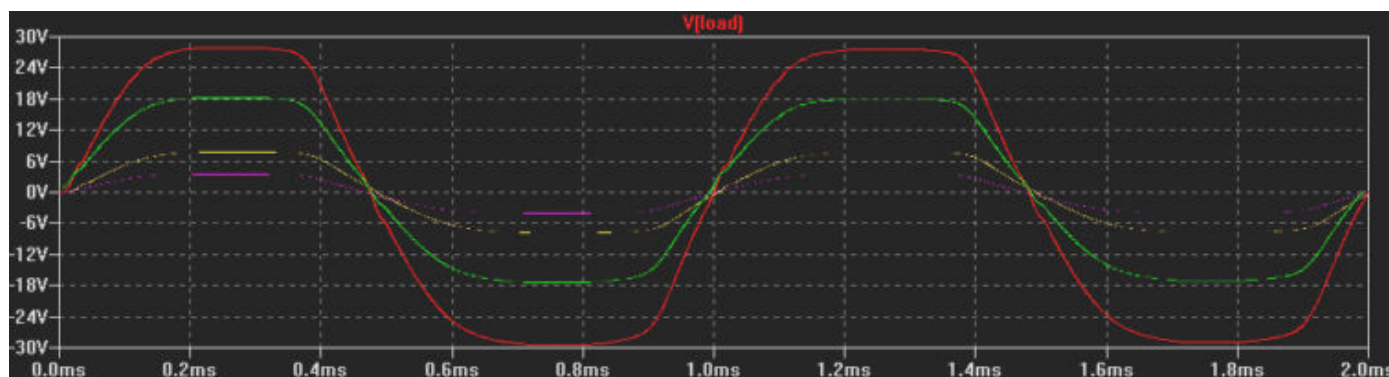

**NEW – JUST RELEASED !!!**

## **Power Amplifier - \$49.99 + S&H**

Order Number: RPA-01

Ok, Ok, You’ve Been Bugging Us For Decades About This, So Here You Go! The World Famous ROSK VACUUM TUBE POWER AMPLIFIER With That Sought After TRUE POWER TUBE MASTER VOLUME! This The Heart Of True TONE-TO-THE-BONE !!!!! Drive Those Power Tubes ALL THE WAY, FLAT OUT And Keep The Volume WAY ..... DOWN While NEVER LOOSING ONE OUNCE OF TONE!!! Can’t Be Done You Say? Well, It’s Been Done Since 1973, And ROSK Was The First One To Discover How Simple It Really Was! Power Soaks? Power Scalers? Power Attenuators? A JOKE! All They Do Is Destroy Your Power Tubes, Heat Up Your Amplifier, Drain The Power Supply, And THEY DON’T WORK! How Do You Get That Tone Of A Vacuum Tube Amplifier Turned ALL THE WAY UP Without The Ear Shattering Volume? Rosk Knows, And Now You Can Too!

Tone vs. Master Volume

Note: This Design CD Requires A Signed Non-Disclosure Agreement

## **All Design CDs- \$189.99 + S&H**

Order Number: RADCD-01

Don't Know Where To Start? Want The Entire Collection In One Shot? Well, Here's Your Chance To "CASH IN" ....

Get The Entire CD Collection PLUS a BONUS CD! That's Right, The Entire Collection Plus A Bonus CD With A Ton Of Various Vacuum Tube Design Programs, A Personal VACUUM TUBE DATABASE Program (Has EVERY FREAKIN' TUBE IN THE WORLD!) With Design Parameters, Spec Sheets, Web-Links, And MORE! Power Supply Designers, Tone Stack Designers, Anything And EVERYTHING You Need To Become A Vacuum Tube Genius!
