Overview

The 2008 Annual Gathering of the Tribes will take place in Wyoming over the 4th of July. In order to create a safe, fun and meaningful gathering for all people, we can start building positive energy now by taking the time to circle, discussing gathering basics, sharing ideas on how to contribute, healing our own family, and learning to create the gathering the way we want it to be.

Join us as we reclaim our vision.

- ♥ Together we are greater than separately
- ♥ We share what we have with each other
- ♥ We are our sisters and brothers keepers
- ♥ Love can change the world
- ♥ The earth is our mother
- ♥ Peace is possible
- ♥ The more you give to the gathering, the more the gathering gives to you.

From the invite to the first gathering in 1972:

We, who are brothers & sisters, children of God, families of life on earth, friends of nature & of all people, children of humankind calling ourselves Rainbow Family Tribe, humbly invite:

- ♥ All races, peoples, tribes, communes, men, women, children, individuals -- out of love.
- ♥ All nations & national leaders -- out of respect
- ♥ All religions & religious leaders -- out of faith
- ♥ All politicians -- out of charity

To join with us in gathering together for the purpose of expressing our sincere desire that there shall be peace on earth, harmony among all people. This gathering to take place beginning July 1, 1972, near Aspen, Colorado - or between Aspen & the Hopi & Navaho lands - on 3000 acres of land that we hope to purchase or acquire for this gathering -- & to hold open worship, prayer, chanting or whatever is the want or desire of the people, for three days, but upon the fourth day of July at noon to ask that there be a meditative, contemplative silence wherein we, the invited people of the world may consider & give honor & respect to anyone or anything that has aided in the positive evolution of humankind & nature upon this, our most beloved & beautiful world -- asking blessing upon we people of this world & hope that we people can effectively proceed to evolve, expand, & live in harmony & peace.

* Balboa Park adjacent to Marston Point in the Pine Grove Picnic Area. From the intersection of Sixth Avenue and Laurel Streets in Hillcrest, enter the park going east on Laurel (which becomes El Prado). Turn right on Balboa Drive which is the last right before the Cabrillo Bridge. Follow Balboa Drive as it loops around and look for family near the Pine Grove Picnic Area and the restrooms.
