

Serendipity Farm CSA is good for the Farm, the community, is healthy and is reasonably priced !

By making a financial commitment to Serendipity Farm, you are doing more than just purchasing great produce. You are helping be stewards of open space and farmland, you are helping protect our waterways, our wetlands, preserve wildlife habitat and provide our community with locally grown organic food.

You will Receive:

- * **Weekly boxes** filled with fresh seasonal vegetables, herbs, some fruit all locally grown on Serendipity Farm.
- * **Serendipity Farm Cookbook:** At the start of Your CSA you will receive a three ring binder every two weeks You will receive a bundle of healthy farm recipes, photos and essays of life on the farm.
- * **A weekly email newsletter** with recipes health tips, news from the farm
- * **An increased involvement** in local food production and the issues that affect small local farms

The Farmer Receives:

- * **Your financial support** at the start up of the Season. This commitment helps the farmer purchase seed, equipment, growing supplies and hire the help necessary to begin the growing season.
- * **A personal connection with the community** and the people we are feeding.
- * **A stewardship opportunity** to continue loving care of a historic farm homestead at the base of the Olympic Mountains that drains into pristine Quilcene Bay.

Food Bank CSA's

Last year several people on Bainbridge Island purchased CSA's to support their local food bank.

This year we are offering to donate a CSA for every 4 purchased for a food bank. The two food banks that we deliver to are Helpline House On Bainbridge Island and our Local Quilcene Food Bank which is in dire need of produce.

The options to donate a CSA to a food Bank are:

1. Purchase CSA as an individual
2. Get a group together to donate a CSA
3. Send us a donation and we will keep everyone posted as to how many Food Bank CSA's we have Sold.

We will make sure that you get a tax receipt if you want one.

Thank you!!!
