50 Years of Service
1956 - 2006

Who we are:

We are a 50 year old Service Club made up of local residents and business owners who raise funds to support youth charities and youth programs in the South Bay. Our focus is to make Manhattan Beach and the South Bay a better place to live through sponsored and supported youth programs.

The Manhattan Beach Kiwanis Scholarship Fund:

One of our beneficiaries is the Manhattan Beach Kiwanis Scholarship Fund. Our club conceived and incorporated the Fund September 17, 1991. It is a recognized 501(c)(3) organization. The fund has received contributions in excess of \$77,000, \$64,000 of which was raised and donated by our club. The Fund has no expenses, meaning 100% of contributions are devoted to charitable purposes. To date, the fund has paid out over \$46,000 in scholarships to 26 students.

Other local charities we assist:

The Wellness Community
The Roundhouse Oceanographic Center
Cheer for Children
Mira Costa Key Club
Mira Costa Football Boosters
Mira Costa Grad Night
South Bay Family Health Care Center

.....as well as many others over the years. The health, education and welfare of children is our priority!

Service to our community, having fun and building lasting relationships:

We have fun while helping our community.

- Our weekly lunch meetings are always fun and informative.
- Project time is rewarding and helps build relationships
- Monthly social gatherings include poker nights, wine tastings, boat trips, and even Go-Kart racing
- Our annual Holiday Party
- Our annual Charter Party
- Annual Installation Dinner

Our Club's main focus is to raise funds for youth charities, and sometimes participate in programs that help the youth of the South Bay. By getting involved in the club, members are rewarded by bettering their community, building friendships and business contacts.
