Tempo = 125 ; 4 minutes 29 seconds

Bob setting =

Intro: E . . A9 E . . A9

Verse 1: E

I wanna be where the sun comes pouring down

B

Where no man will toss my heart around

A

E

Where no man can tell me his pretty lies

B

E

And the sun goes down in tropic skies

Verse 2: E

I wanna feel some sand beneath my feet

B

And laugh with all the strangers that I meet

A

E

I wanna leave this cold and lonely north behind

B

E

And go where the sun goes down in tropic skies

Chorus:

A

E

Tropic skies, blue waters call me

B

E

I'm gonna dance under the palm trees

A

E

I'm gonna do just exactly as I please

B

E

Gonna heal this heart of mine in tropic skies

Verse 3: E

I wanna see those seabirds flying low

B

Yeah, I think that it's about the time to go

A

E

I'm gonna leave this cold and lonely life behind

B

E

And go where the sun goes down in tropic skies
